

Nominations for Committee 2021/22

Stephen Cushnir

I have now had 2 growing seasons at SHA, and with one season as a member of the committee, I am putting myself forward to continue as a member on the committee for another year.

I am still in the infancy of my allotment journey, learning the rhythms of the seasons and what to grow where, when, and how. My children are at an age where they are joining me on this journey and marveled at the life attracted to our new pond and at the potatoes, carrots and huge sunflowers they were able to grow this year. I want to show them that with the privilege of having an allotment, using personal skills to help others is just as vital as using practical skills to grow.

Please accept this as my nomination to the SHAA committee for the 2021 – 22 season.

Gary Doyland

Continuing working with the Committee helping with maintenance.

Annie Griffiths

Still lots to do

Juliet Mann

I would hope to bring organizational skills to the Committee which I have done over the last few years and would like to continue

Ian Potts

I build sheds

Jill Russell

I have been a plot holder since 2012 and a committee member for the last few years. I volunteer in the trading shed, and my role on the committee includes sending out regular site newsletters and communications, helping to organise events in our new Barn, as well as contributing to general decision-making and management responsibilities of the committee. I feel very fortunate to be part of

the SHA community, and enjoy playing my part in allotment life. I would welcome another term as a committee member.

Trevor Wyatt

I have been a keen gardener for more than 40 years

I have enthusiastically & conscientiously maintained my plot at Shepherds Hill for 25 years (and 10 years previously in another region)

During this time I have established good relations with all my neighbours on adjacent plots and have complied with all the relevant regulations.

I love Shepherds Hill Allotments.

I am re-applying for Allotment Committee Member status so that I can continue to contribute to and encourage the democratic working of the committee, as well as helping to foster beneficial relations with all tenants.

Julie Yogasundram

I have been a member of the SHAA committee for four years and an allotment holder since 2014. The Committee have worked hard to achieve quite a lot over the last few years and I would welcome the opportunity to continue to contribute my administrative and organizational skills for a further year. I am keen to promote fairness and openness in all we do and to develop opportunities for as many allotment holders as possible to engage in the allotment community. I manage the waiting and tenants lists currently.
