

Nominations for Committee 2022/23

Gary Doyland

I want to continue helping out the community with doing the maintenance work which benefits everyone.

Annie Griffiths

There's lots to do. Would happily hand over tasks to enthusiastic others. Until then I'm needed.

Juliet Mann

I have been on the committee for almost 5 years and been a plot holder for 22 years. I hope I have brought some organizational skills to the site and would like to continue to do so...

Ian Potts

I'd like to offer SHA site my skills as a member of the maintenance team. I'm a good handy man and enjoy building and repairing and very good at plumbing.

Jill Russell

I have been a plot holder since 2012 and a committee member for the last few years. I volunteer in the trading shed, and my role on the committee includes sending out regular site newsletters and communications, helping to organise events in the Barn, as well as contributing to general decision-making and management responsibilities of the committee. I feel very fortunate to be part of the SHA community, and enjoy playing my part in allotment life. I would welcome another term as a committee member.

Jo Sheehan

I have enjoyed being a co-opted member of the committee, and will continue to look after the SHAA's finances and prepare regular reports to the committee to help make informed decisions and ensure we operate efficiently.

Trevor Wyatt

I have been a keen gardener for more than 45 years. I have enthusiastically & conscientiously maintained my plot at Shepherds Hill for more than 25 years. During this time I have established good relations with all my neighbours on adjacent plots and have complied with all the relevant regulations. I love Shepherds Hill Allotments. I am re-applying for Allotment Committee Membership so that I can continue to contribute to and encourage the democratic working of the committee, as well as helping to foster beneficial relations with all tenants.

Julie Yogasundram

I have been an allotment holder since 2014 and a member of the committee for 5 years. I have managed the waiting lists and tenants list for the last couple of years. I am keen to continue to contribute my administrative and organisational skills in order to build a health and inclusive allotment community.
