Annie Griffiths

So much to do and until committee fills up with young enthusiastic people I have to go on!

Juliet Mann

I have been on the committee for six years and would like to continue for another year. I hope I have brought my skills of organisation and communicating with tenants to the site.

Ian Potts

I'm good at maintenance.

Jill Russell

I have been a committee member for several years and enjoy helping with communications (newsletters, site emails, minutes, etc.). I also help with organising Barn events and volunteer in the trading shed.

Shazia Sardar

I'm good at helping in the fair events and selling things.

Joanna Sheehan

I have enjoyed being a committee member and would be pleased to continue. I will report on the finance position and provide financial support to decisions and proposals.

Trevor Wyatt

I have 7/8 years' experience/knowledge of the site, its geography and population and am keen to continue my duties in connection with the allocation of plots and liaison with the Council's Allotments Coordinator.

Nevil Yildiz

I have a varied skill set; from knowledge of regenerative growing to general maintenance and helping to produce communications materials such as newsletters, social media and posters etc.

Stephanie Zonca

Am here to help!
